Paul,
These forms are the list given to me by the Ritzville Chief of Police of "required fine amounts" (his words) for various infractions. On the 1st page (#43) are 3 related to 901. On the 2nd page is only 1 that I could find and on the 3rd are 2. The 3rd page also has some listed on tobacco sales/sales to minors etc.
The ones related to 901 all are listed at \$205.00. He states this is because there is a mandatory fee added to the fine: defined as a PSEA (Public Safety Education Assessment Fee). This fee is mandated to be 105% of the base penalty. He cited RCW 3.62.090 1.2 as the basis for these fees. I would like further info on this if you find anything else out.
Thanks,
Karen
